

The Haiti Partnership has been serving the people of Haiti since 1995. We have built churches, schools, mission houses, and more. We have delivered thousands of school kits, hygiene kits, and birthing kits, and have a successful clean water project in the Southeast.

In recent years, our mission emphasis has changed to create sustainable projects and independent communities through development and job creation. We want to enable Haitians to create and run their own projects that can be sustained for years to come.

Read through this brochure and you will see many of our exciting projects.

We need your help:

To donate and support our programs, make checks payable to “Upper New York Conference” and memo it “Haiti Partnership Project Fund – Advance Special 936”. Send contributions to 7481 Clay Blvd. Liverpool, NY 13088

We thank you on behalf of our Haitian brothers and sisters.

Clean Water Delivery to Cite Soliel (one of the world’s largest slums)

**Helping Haiti
2017-2018**

**of the Upper New York
and Susquehanna
Conferences – UMC**

**Please help support
our mission to the
people of Haiti.**

Community Development & Job Creation in Hermitage

- **Talapia Farm**
To support the community and school.
- **Community Gardens**
Income and jobs, plus school lunches.

- **Cyber Café**
Profits to support teachers' salaries.
- **Rotary International Grant**
Will help support both the tilapia farm and provide irrigation canals on our water system to enable a large expansion of community gardens.

Hurricane Matthew Relief Teams

Early last October, Matthew slammed Haiti with sustained winds up to 140 MPH. Churches, schools, clinics, and thousands of homes were destroyed. More than 70% of crops were wiped out. Full recovery will take years.

- **Rebuild schools**
- **Replace roofs on churches**

- **Community recovery and development**
Community leaders will identify those in greatest need and our teams will offer financial support and hands-on help.

Partnership with *Healing Haiti*

- **Support of Community Programs**
- **Orphanages and Schools**

- **Papillion Self-Help Project**

- **Home for Sick and Dying**
- **Elder Care**
- **Community Bakery**
